

9 Surefire Ways To **MAKE YOUR BUNNY MAD**

1. Not serving food at the exact time food is expected.
2. Offering food that is not the bunny's favorite.
3. Disturbing the bunny in its sleep.
4. Visiting the vet. Or force-feeding meds.
5. Grooming the bunny against its will.
6. Cleaning or re-arranging the house.
7. Refusing the bunny access to part of the house. Even temporarily.
8. Not immediately giving attention when attention is wanted.
9. Saying "no" to the bunny for any reason.
